

GPM

GARNER PROPERTY MGMT

A full-service property management company.

GPM

GARNER PROPERTY MGMT

Garner Property Management provides community association management in partnership with the board of directors to protect, enhance and maintain individual investments for condominiums and planned unit developments owners.

Whether your association needs a complete management package or just financial and budget management, we can tailor our services to meet your specific needs. Our goal is to empower your board to meet with success.

Visit garnerpm.com today for your individualized management plan.
